

REMARKS

This amendment after allowance is submitted by Applicants' attorney in order to correct a non-substantive error in claims 24 and 62, in particular to correct an antecedent reference.

After entry of this amendment, the pending claims are: claims 24-36, 41-54, and 62-69.

Overview of Changes

Claims 24 and 62 has been amended to correct a non-substantive error by adding the word "loop" in line 7 (of both claims) between the words "locked" and "circuit". This amendment corrects an antecedent reference. No new matter has been added.

CONCLUSION

In light of the above amendments and remarks, the applicants respectfully request that the Examiner reconsider this application with a view towards allowance. The Examiner is invited to call the undersigned attorney if a telephone call could help resolve any remaining items.

Respectfully submitted,

Date: September 10, 2007
